Usama Ejaz
Data Scientist

Date: 12 March, 2024

To Whom It May Concern,

This is to certify that Usama Ejaz has been an esteemed member of GrowUp Tech Solutions serving as a Data Scientist since October 2023. Throughout their tenure, Usama has demonstrated exceptional expertise and dedication in their role, significantly contributing to the success and innovation of our organization.

As a Data Scientist specializing in Research & Development Engineering (Robotics and Data Science), Python Development, Full Stack Development with a focus on Data Science, and Hardware Engineering, Usama has showcased unparalleled proficiency in various technical domains. Their adeptness in utilizing Python for data analysis, modeling, and visualization has been instrumental in driving insightful decision-making processes.

Throughout their tenure, Usama Ejaz has proven to be a collaborative leader, effectively liaising with cross-functional teams to execute complex projects and translate technical concepts into actionable insights. Their contributions have been pivotal to the success of several projects, further solidifying their reputation as a valuable asset to our team.

Please note that the issuance of this experience letter is contingent upon Usama Ejaz adhering to GrowUp Tech Solution's policies and regulations throughout their employment. Any breach of company policies may result in the revocation of this letter.

We appreciate their contributions to our organization and wish them all the best for their future endeavors.
